

The following is a Police Connect message.

From this week our Engagement Surgery at Fakenham Police Station will change to every Thursday and the Engagement Surgery at Cromer Police Station will change to every Friday.

Both Engagement Surgeries will still take place between 1pm-3pm.

Please note that there will be no change to the Engagement Surgery at North Walsham Police Station which will be open as normal today and continue between 1pm and 3pm every Wednesday.

The Engagement Surgeries are an opportunity to speak to local officers for help / support.
